

# ASA COMMITMENT LETTER

Arlington Soccer Academy is a year round club program designed to provide all players on every team a competitive level of training, development and competitive play.

The commitment necessary for the team is a responsibility borne by both the player and family, so upon accepting your position on the roster; it is important that everyone agrees to and understands the commitment being made to the team for the benefit of all players on the team.

We recognize that the commitment required for competitive soccer is not for everyone, but it is necessary for the team in order to allow players who do wish to move beyond a seasonal recreation commitment to move forward and be challenged. Each player and team is in different levels of development, ASA commits to meeting them where they are and raise their level to the highest achievable. The commitment is to a year round program, with a focus on both the fall and spring seasons with extra camps and skill sessions during the summer and winter months.

1. When placed on the roster, each player commits to being at all training sessions, skills clinics, camps, and games unless they are ill, injured or have a major and unavoidable family event, etc. Tournament play can be an exception assuming and only if the team can get a guest player. Communication must be made to the coach prior to any known conflicts that could cause hardship on the team.
2. While understanding that some players will play multiple sports and participate in other activities which may create occasional conflicts, players recognize that the commitment they give to the team and Club will be reflected in their own development and team development.
3. All ASA players are committed only to playing for the ASA program. All ASA players will be rostered and registered through USSSA & TN Soccer under the ASA program. Any player wishing to guest play for another organization must have approval from the Academy Directors.

*I understand the commitment necessary to be an Arlington Soccer Academy player, and am committed to the team for the 2017 - 2018 season.*
